##### **Cotton Candy**

Sure, the last time you ate spun sugar on a stick, you threw up all over your brother from the top of a Ferris wheel. But you're all grown up now. You can handle a little cotton candy — at least, those carnies who are whipping it up in our local kitchens think so. At **BOKX 109** (399 Grove Street, Newton, 617.454.3399), it's on the house, arriving with the check in rotating flavors — raspberry, strawberry, blueberry, or green apple. Likewise, **Lolita Cocina & Tequila Bar** (271 Dartmouth Street, Boston, 617.369.5609) delivers green-apple puffballs sprinkled with Pop Rocks gratis with your bill. A maple-flavored version comes à la carte or alongside brown-sugar angel-food cake with caramel ice cream at **Towne Stove and Spirits** (900 Boylston Street, Boston, 617.247.0400).
