The Best Valentine's Day Tables

Bundles of roses keep catching your eye. Flying babies seem to be everywhere. Armies of stuffed teddy bears haunt your dreams. Yes, Valentine's Day is a month away, so it's time to start thinking about dinner reservations. Behold: five great contenders for the occasion.

Table 208, [Towne Stove and Spirits](#)

This is your bi-level, three-bar ace for *Tomahawk Veal Chops* grilled over oak branches, and a healthy selection of whiskey.

Why it's right: Because being on the second floor almost feels like the penthouse. And you're near the antique oven in the open kitchen, which screams passion.
